Landscape Mulch

Close the Loop by purchasing our 100% recycled landscape mulch made from recycled clean wood waste.

Our mulch is made from recycled clean wood generated by businesses and institutions across New England.

The mulch is processed through a 2" screen for a uniform size and appearance.

At \$10 per cubic yard, our recycled mulch is less than half the price of other mulch products on the market and it looks and works great.

Delivery also available from 15 to 100 cubic yard quantities.

If you recycle with us, we offer a complete turn-key program; recycle your clean wood waste with us and we will manufacture beautiful mulch which you may purchase back at a great price to landscape your facility.
